Shareholder approval is being sought to increase the maximum aggregate annual sum that may be paid by the Company as remuneration to its Non-Executive Directors to \$400,000.

As a result of the rapid growth of the Company, the Directors are reviewing the size and composition of the Board. The increase in the 'not to exceed sum' gives the Board the flexibility to appoint additional directors at remuneration levels commensurate with market rates.

The Directors are satisfied that the current Board remuneration levels lie within the average bands applying to companies in our industry of similar size, profitability, growth and risk profile.

The Board recommends that Shareholders vote in favour of the adoption of the Remuneration Report.
